

Says

What have we heard them say?
What can we imagine them saying?

Thinks

What are their wants, needs, hopes, and dreams?
What other thoughts might influence their behavior?

"The 17th Lok Sabha has the highest ever number of women politicians with a total of 78 which is nearly 14%.The earlier Lok Sabha had 62 women MPs"

No confidence motion can only be introduced and passed in the Lok Sabha. So, it controls the despotism of the government.

"The campaigns and the election itself were contentious and sensational, it ended with a sweeping win for the BJP and Narendra Modi, leading to record highs in the country's stock exchange and strengthening the rupee".

"Politics is about making agreements between people so that they can live together in groups such as tribes, cities, or countries".

"There is a 77% chance that the Indian voter will vote for the same party for both the state and Centre when elections are held simultaneously because India is a union of states and the central government allots huge money to the government of the same party in the states".

Improving the quality of life in cities also heavily relies on maintaining cleanliness and sanitation. There was a time when developed countries were praised for having clean cities, and now we are striving to achieve the same for Indian cities.

It helps in proper functioning of democracy through the system of checks and balances. No confidence motion can only be introduced and passed in the Lok Sabha. So, it controls the despotism of the government. Money bills can be only introduced in the Lok Sabha.

Members of the Lok Sabha often vote along party lines due to the strong influence of political parties and the whip system. This can lead to reduced independent thinking and decision-making, as members might prioritize party interests over the interests of their constituents.

Digital India was another big initiative by PM Modi that helped in the development of India. With an increase in internet users every day due to the availability of more data at low prices led to the launch of the Digital India programme.

Around 39 percent of members are professionally noted to be politicians or involved in social work.

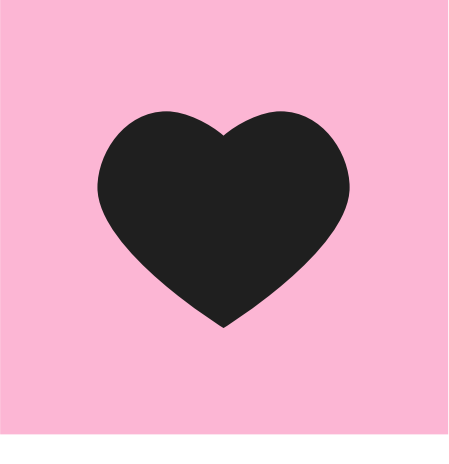

Election Commission seized over 31 billion rupees-worth of liquor, cash, precious metals and narcotics during the election weeks.

Regional parties will not be able to compete with national parties in terms of election expenditure and election strategy. Assembly elections are closely associated with the local issues and local voters. Hence one time election will not be accepted by the regional parties.
